

JOB OFFER

ROAD MAINTENANCE WORKER – TEMPORARY POSITION

The Municipality of West Bolton is seeking a Road Maintenance Worker to support its dynamic team and help maintain its road network!

Conditions

Workplace: Municipality of Bolton-Ouest

Work Schedule: Temporary position, either part-time or full-time depending on the candidate's availability and the municipality's needs.

- Schedule of up to 36 hours per week over 5 days, including a reduced schedule on Fridays (from 8:00 a.m. to 12:00 p.m.)
- Possibility of a lighter and flexible schedule, to be discussed based on the selected candidate's profile.

Remuneration: According to the municipal salary scale

Responsibilities

- Inspecting the condition of roads and reporting any issues
- Performing maintenance, repair, and improvements on the road network
- Conducting annual inspection and maintenance of culverts
- Installing road signs and acting as a traffic signaller
- Using various tools and equipment, including a chainsaw
- Repairing potholes and resurfacing roadways
- Complying with environmental protection measures
- Understanding and applying safety instructions and emergency procedures
- Performing any other related duties as assigned by the supervisor or general management

Requirements

- Holding a valid ASP certification in health and safety on construction sites (an asset)
- Possessing a valid Class 3 driver's license (asset)
- Physically able to lift, move, or handle loads of up to 25 kg
- Manual dexterity and ability to use various tools
- Ability to work outdoors in various weather conditions
